

Parents and Teachers

The bottom of the website offers a **For Educators** button where you can find all sorts of information. If you select **Educator Tools**, you can find out how different things can be incorporated into your curriculum, what benefits certain parts of Early World of Learning has and explains how reading levels are determined.

All this will help you know how you can use World Book: Early World of Learning, to help your child progress while keeping them entertained with games and stories.

Make sure to check out other resources available from World Book through the library. When your children grow up, they can always try World Book: Kids to start learning and continue to improve their reading skills.
